

# GAMER

Organic cockroach killer

**GAMER IS A HERBAL ANTI-COCKROACH, PROPRIETARY SPRAY FORMULA BLENDED WITH HERBAL EXTRACTS AND NATURALLY EXTRACTED OILS.**

**IT WORKS INSTANTLY TO PROTECT YOU AND YOUR FAMILY AGAINST COCKROACHES.**

## KEY BENEFITS

- ◆ A continuous spray of GAMER for 10 days in the Kitchen and Bathroom sink areas will repel Cockroaches for extended period of time.
- ◆ Gamer is alternative to the strong insecticides presently used to kill roaches. Gamer is safe, non toxic and eco friendly.
- ◆ Globally we have been using insecticide based control that also carry toxins near food handling area.
- ◆ Cockroach develops resistance fast against insecticides and the left out cockroaches multiplies faster.
- ◆ Cockroaches is one of the few species which has survived the low cost and keep at an atomic species to control we dump multiple sprays with insecticides in our home and that too in areas near kitchen and storage area.

## WHERE TO USE

- ◆ Can be used in hotel kitchen, domestic kitchens, warehouses, restaurants, toilets, wash areas and other places.
- ◆ Preferred time of spraying is in the night before going to sleep and to be sprayed on a continuous basis for 10 days.
- ◆ For rapid action, spray directly at the hiding areas of cockroaches.

# GAMER

Organic cockroach killer

## DIRECTIONS OF USE

- ◆ Use the spray during night.
- ◆ Apply spray liberally at wall corners around dustbins in kitchen area, on the inside walls of kitchen cabinets, under kitchen sink, near the drainage hole in the rest room area and any places where cockroaches roam. It is ideal to use this spray at night before you sleep.

To effectively kill cockroaches, use this spray once a day for 10 days. Repeat spray every 3 months.

## PRECAUTIONS

- ◆ **Keep away from the reach of children and direct Flame, Do not spray on the body parts and sensitive skins. (For External Use only).**
